Towel Bar & Sweeping Grab Bar Combination

- *Applications: Architectural | Commercial | Institutional | Residential*
- *Includes: Stainless steel screws for wood backing & 4 hollow wall togglers*
- *Winglts® Fasteners Compatible (sold separately)*

Specifications:

The *Towel Bar & Sweeping Grab Bar Combination* is manufactured using high-quality 18 gauge 1.25" dia. type 304 stainless steel.

Convenient mounting flange post with set screws allow for easy flange access during installation while preserving the clean finish look of the concealed flange cover. The flange base has 5 optional screw hole ports to make securing to a stud or hollow wall easier than ever. Each bar includes 4 hollow-wall togglers.

The *Life Line Collection* has been designed, built, and tested to 500 lbs., exceeding HUD, FHA, VA, ADA, ANSI, and other federal, provincial, and local codes. With all safety products, it is imperative to consult a qualified contractor to insure you have sufficient backing.
